

- "Write a 120-word dialogue in French at level B1 about meeting a friend at a café. Use natural rhythm and contractions (like 'j'suis', 't'as'). After the dialogue, list the number of words."
- "Compare my dictation transcript to the original dialogue. Mark misheard or missing words, and tell me which sounds I should focus on."
- "Make me a shadowing tracker table with columns: Date / Topic / Duration / Key sounds to fix / Confidence (1–10)."
- "AI, why did my phone misunderstand 'j'suis'?"
- "Can you make a 30-second drill for that sound?"
- "Make a 120-word dialogue (B1) between a tourist and a train conductor."
- "What improved most in my rhythm today – stress, pauses, or linking?"
