

- "Conduct a 6-question interview about my job (B1 level). Ask 1 question at a time. Follow up naturally. At the end, give me feedback in English with 3 targeted drills."
- "Here are my answers. Can you rewrite them with perfect grammar and natural tone, then read them aloud for me to shadow?"
- "AI, my answers feel too short."
- "Conduct a 6-question interview about my studies."
- "Conduct a 6-question interview about my weekend routine."
- "Let's stretch them. Each time, add one 'why' or 'example' sentence."
- "Conduct a 6-question job interview for a marketing assistant position (B1). Give me feedback in English with 3 grammar or vocabulary drills."
- "Let me be the interviewer. You are the candidate."
- "Interview me about my job — one question at a time, follow up naturally, and give me three drills at the end."
